Gargas prehistorical site:
The hand sanctuary

Planet Earth

Who then, are the followers of wisdom, if they are neither the wise nor the ignorant? Surely this is obvious by now, it's those who are intermediate between the two, and Eros is among them (Plato, Symposium, 204 B)

- Training for research through research, supported by laboratories of excellence with a direct connection to international debates.
- A demanding education in the humanities combining history of ideas and analysis of contemporary issues (global health, contemporary political issues, political ecology, philosophy of the arts)
- Specialised and multidisciplinary training focused on the acquisition of a methodology in the history of philosophy, in the epistemology of the social sciences and STEM, in political philosophy
