Autumn School
"Microbiology and Immunology"
10-13 Nov 2026

Venue: ENS de Lyon, Monod Campus (*site Monod*)
46 allée d'Italie
1 place de l'Ecole
69007 Lyon, France

Tuesday, 10 Nov 2026

Room name: Condorcet (1 place de l'Ecole, 69007 Lyon)

Time	Programme
8h45-9h	Introduction to the symposium
	Microbiota in health and disease
9h-10h	Nicolas Benech, IGLF, ENS de Lyon ***Gut microbiota in human diseases: a translational approach***
10h-10h30	Discussion with students
10h30-11h30	Joël Doré, Micalis, INRAE ***Gut microbiota and health***
11h30-12h30	Discussion with students
12h30-14h	*Lunch break (Buffet, Grande Nef Monod, 46 allée d'Italie, next to the "Salle des Thèses")*
	Vaccination - 1
14h-15h	Arnaud Didierlaurent, University of Geneva ***Vaccine development: How to select the right technology?***
15h-16h	Akanksha Chaturvedi, NCCS, India ***Immune response to Nipah vaccine candidate***
16h-17h	Round table Vaccination 1

Wednesday, 11 Nov 2026

Public Holiday - Free time

Thursday, 12 Nov 2026

Room name: MLE. 450 (46 allée d'Italie, ground floor)

Time	Programme
8h45-9h45	**Indian students' flash talks** (8min presentation, 2 min questions)
	Microbial pathogens
9h50-10h40	Raju Mukherjee, IISER Tirupati, India ***Innate immune response in* Mycobacteria *against phages***
10h40-11h30	Nicolas Personnic, CIRI, France ***Single-cell dynamics and persistence of respiratory pathogens***
11h30-12h30	Round Table
12h30-14h	*Lunch break:* ▪ *Lunch provided for invited speakers* ▪ *Independent lunch for students (reimbursable upon receipt for invited Indian students - several dining options are available nearby)*
14h-16h	Campus Tour / Lab visits for invited speakers and invited Indian students

Friday, 13 Nov 2026

Room name: Condorcet

Time	Vaccination - 2
9h-10h	Stalin Raj, IISER Trivandrum, India ***From pathogen to protection through vaccine platforms for emerging infectious diseases***
10h-11h	Dimitri Lavilette, CIRI, Lyon ***Active and passive vaccination: The dual role of monoclonal antibodies***
11-12h	Round table
12h-14h	*Lunch break:* ▪ *Lunch provided for invited speakers* ▪ *Independent lunch for students (reimbursable upon receipt for invited Indian students - several dining options are available nearby)*
	Viral infections of the central nervous system
14h-15h	Guilherme Dias de Melo, Institut Pasteur, Paris (online talk) **The *ins and outs of viruses infecting neurons***
15h-16h	Jayasri Das Sarma, IISER Kolkatta, India ***From neurotropic viral invasion to neuroinflammation and neurodegeneration: Lessons from murine β-coronaviruses***
16h-17h	Round Table
17h-17h15	Closure of the symposium
